

Pumpkin Carving Contest Winners

Glencull's November News

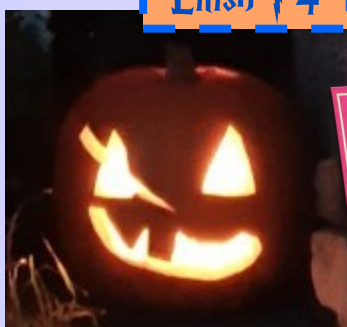

Pumpkin Madness!

Well done to all those who took part in our pumpkin competition. All those who entered will receive a prize of a certificate for a night off homework!

Huge congratulations to our main winners. It was impossible to pick an overall winner so we have picked a winner from each classroom! The winners from each classroom will receive

a prize from the school's legendary prize box!

Tree Tidy Up

We were delighted to welcome past pupil Francis Mallon to tidy up the trees around our school. In December 2016 every pupil in school planted a hedge around the boundary of the school. In the intervening years both the children and the trees have been growing! So much so, that we've enlisted Francis and his helper, P1 Joe, to shape the trees so that they'll thicken

up even more to provide shelter for the play ground. We have also taken away trees to make room for our brand new basketball hoops!

2016

Together
MAY WE GIVE
the children
the roots
to grow
AND THE
wings
to fly

BATMAN RETURNS

HIS LIBRARY BOOKS ON TIME

Please return reading books on time! If one pupil doesn't return a book we can't distribute next weeks books due to being short copies.

How to contact a Teacher

PAGE 3

The partnership between you, the parents, and teachers is vital for your child's education. Please take any opportunity available to speak to the teacher about your child's progress. The best time to reach teachers and the principal is before 9.05 and after 3.15 or via email and we will try our utmost to accommodate your needs. Or ring the office to make an appointment. Only use the school landline number to contact teachers 02885568344. What's Apps will not be answered. *We remind you that teachers private numbers or other private means of communication are never used to contact teachers regarding school issues.*

Absence notes

Reminder: All absences should be followed up with an email for the class teacher. Please record the date and reason for the absence.

Flu Vaccination

On the Thursday 6th of November the school nurse will be administering a Flu vaccination to those that have returned consent forms.

This is a program that is being run across the North of Ireland. The nasal spray flu vaccine is offered to toddlers, pre-school children and children in primary school. It's also offered to most children aged up to 17 years in at-risk groups.

The vaccine used

We are raising awareness with all the children about the importance of washing your hands. You may wish to reinforce this message again at home during cold, Covid and flu season.

Wash Your Hands

schoolmoney

From next week onward, 9th Nov, dinners and clubs can only be booked and paid for using 'School Money'. The service is already available this week we encourage you to begin using it straight away.

In order to pay for the service, school dinners have now increased to £2.70.

All dinners and clubs will have to be booked in advance before mid-night the day before the service is used.

On Tuesday 9th November, any arrears from before that date will be added to your school money account. The arrears will appear under two titles: 'Dinners' or 'Clubs'. 'Clubs' refers to breakfast and TUI club.

If you have any queries regarding the arrears or with any technical issues please contact bgormely892@c2kni.net.

We thank you for your support with starting this new system and we appreciate your patience.

School Governors

Every school is managed by a Board of Governors that works alongside the school Principal and staff to meet the educational needs of the school pupils in a secure and safe environment. Our Board of Governors is shared with St Mary's PS in Ballygawley. Some representatives are elected to the position, while others are suggested by the EA, DENI and the parish. A huge thank you to those Governors who are in position at present. The role of the Board of Governors is to ensure that the school provides pupils with an outstanding education. The Board of Governors set the plans and policies of the school, employs the school staff and manages the expenditure of the school budget.

	Governor Roll	Name	Roles

P5-7 hope to begin spelling homework this Wednesday. Before your child starts to silently study their list for each day, let them pronounce each word. Children must know how to properly pronounce a word before they attempt to spell it, If their pronunciation is not correct, they will indeed

spell it as they would pronounce it in their own way. Also make sure they know what the word means and can use it or understand it when they hear it.

To start studying, a child should look at the word, pronounce it, spell it orally as he

looks at it, cover it with his hand, and then attempt to spell it or, as he traces it on your kitchen table, letter by letter.

After your child has studied, let's say five words, in the manner described, spell the words to them in random order, and have them name
